**EVALUATION RESULTS and FINAL RAKING**

**2<sup>nd</sup> Phase**

**1st Call of the Action “Science & Society” “200 years from the Greek Revolution”**

The evaluation process of the proposals submitted under the **2nd Phase** of the “**1st Call of the Action ‘Science & Society’ ‘200 years from the Greek Revolution’**” (Ref.No. 1564/27.04.2018, as in force) was concluded with the examination of the objections against the evaluation decisions, the publishing and dissemination of the decisions of the Objections Committee [Ref.No. (H.F.R.I.) 18415 / 01.11.2019 and 18427 / 04.11.2019] and the publishing and transmission of the re-evaluation decision of the Evaluation Committee [Ref.No. (H.F.R.I.)18702 / 11.11.2019].

Following the conclusion of the above procedure and the issuance of the decision (Ref.No. 18833 / 12.11.2019) of the 67th Meeting of the Scientific Council (SC) of H.F.R.I. on the approval of the publishing of the final ranking list on the website of the Foundation here follows the Final Ranking Table of the Proposals.

According to the provisions of the Call, each proposal is graded on a scale of one hundred (100) points. The minimum required total score is seventy (70) points and proposals with a score lower than this are excluded from funding. It is noted that in the Final Proposal Ranking Table the proposals have been ranked in descending order of points, with the total final score of each proposal and the score of sub-Criterion B (“Evaluation of the Proposed Project”). In case of a tie between the proposals in the Ranking Table, the one with the highest score in this criterion is proposed in accordance with the provisions of the Call.

The following Final Ranking table presents the proposals in descending order.
