***Subject: Suspension of the process of submitting proposals in the context of the  
"2nd Call for H.F.R.I.'s Research Projects to Support Faculty Members and Researchers"***

The Scientific Council of H.F.R.I., fully understanding the impact of the exceptional measures taken by the State in the context of tackling the COVID-19 pandemic in the proper functioning of the country's Universities and research centers, decided to suspend the process of submitting proposals in the context of the "2nd Call for H.F.R.I.'s Research Projects to Support Faculty Members and Researchers" through the online Portal of H.F.R.I. The suspension will be lifted and the submission of proposals through the Internet Portal of H.F.R.I. will be possible again immediately after the start of the educational operation of the Universities of the country. The new deadline for submission of proposals after the lifting of the suspension, which will not be less than thirty (30) days, will be set by a new decision of the Scientific Council.
