# Introduction

#BrainGain #StrongerGreece

The Hellenic Foundation for Research and Innovation (HFRI) aims to support unrestricted research, without thematic or geographical exclusions.

The Operational Plan (OP) sets HFRI's priorities for 2024, constituting the roadmap for the governance of the Foundation. It may be revised in case of substantial changes in the internal and external environment of HFRI.

The presented data are in force on the date of the adoption of this Operational Plan.

The planning of the Actions is based on Ministerial Decision No. 124433/31.12.2023 (B'7724)
