Press Release of the Scientific Council of the HFRI

Today, 27 September, 2024, it is with great sadness that the HFRI bids farewell to Christina Foka, Deputy Director of the Foundation for 2017-2020.

Christina was one of the pioneers of the Foundation of the HFRI, and afterwards, she contributed greatly to the Foundation in its early stages. Her dedication, self-denial and abilities were invaluable, and her sudden loss due to illness has affected us. Her values will always be with us.

Recognizing Christina Fokas' contribution, the Foundation will ensure that her memory is preserved beyond our memories.

On behalf of the Scientific Council of the HFRI

The President, Professor Xeni Chrysochoou
