Press Release

Honorary Professor of Medicine Christos Kittas elected as the new Member of the Scientific Council of the Hellenic Foundation for Research and Innovation (H.F.R.I.)

The Hellenic Foundation for Research and Innovation (H.F.R.I.) is pleased to announce the appointment of Mr. Christos Kittas, Honorary Professor of the Faculty of Medicine and former Rector of the National and Kapodistrian University of Athens, former Minister of Health and Social Solidarity and former Minister of Education and Religious Affairs, as a new member of the Scientific Council of the Foundation, in the field of 'Medicine and Health Sciences'.

With his long career and contributions to the field of medicine and research, Prof. Kittas will make a significant contribution to the work of the Scientific Council of the Hellenic Academy of Medical Sciences and will strengthen the Foundation's mission to promote research and innovation in the country.

About HFRI

The Hellenic Foundation for Research and Innovation (HFRI) was established (Law 4429/2016) in response to the vital need for supporting Greek scientists. It is a legal person governed by private law, monitored by the Ministry of Development. HFRI aims to promote research and innovation in the country. In particular, it aims to evaluate and fund unrestricted research, namely research activities, research infrastructure and their technological applications, arising from scientific curiosity, without any thematic exclusions or geographical limitations, having scientific quality and excellence as a sole criterion.
